THE CLASS OF 1987, at Commencement Exercises last Friday evening in the Telstar Regional High School gymnasium.

Telstar Class of '87 graduates

With pomp and circumstance, and tears and speeches, perspiration and pride, 71 members of the Class of 1987 of Telstar Regional High School graduated last Friday evening, in ceremonies at the school gym.

Following graduation, most of the members of the class attended Project Graduation, organized by parents and faculty, at the Hillside Racquetball Club. In the morning, they were treated to an egg and pancake breakfast by the Bethel Rotary Club, hosted at Gould Academy's dining hall.

The three student speakers were Valdetarian Kella Clinton, Salutatorian Kevin Powell and Honors Speaker Gori Bolo.

Gori reminded her fellow graduates of the dictum of John F. Kennedy: "Ask not what your country can do for you but what you can do for your country." She said this applies equally as well at the community level. The young graduates should get involved in their future schools and in their communities, whether in extra-curricular activities, church activities or civic organizations.

Kella quoted from the Bible: "Let the day's own troubles be sufficient for the day." Do not be anxious, he suggested to his fellow graduates, disillusions—even the four difficult years of high school—fade into insignificance when compared with more serious problems. "What do my poor English grades mean compared to someone who can't read," he wondered aloud. He suggested that the graduates go out and do the best they can without worrying about all their lesser problems.

Kella had similar advice, advising his classmates that commitment is a prerequisite to success. The gym was packed with faculty, parents and friends, all of whom sweltered while waiting for the big

Boys, girls ousted in title games of Class C playoffs

Telstar's baseball and softball teams finished their seasons last Thursday as bridesmaids rather than as brides. But, as Softball Coach Jim Lunney pointed out, that still placed them ahead of two dozen other teams that never even got to the playoffs.

Both the boys and the girls stumbled in the title round of the Western Class C playoffs. The boys met their match against top-ranked Hill-Dale, losing 12-1 in the bottom of the seventh inning. The girls had problems with last year's Class C champ, Seabrook Valley, losing 5-1.

Maine National Guard unit builds new runway at airport

Elements of the Maine National Guard's 133rd Engineer Battalion began work this week on a newer, longer runway at Col. Dyke Field, off the Northwest Bethel Road.

The new runway will be 3,150 feet, compared to the current 2,400-foot runway. When the Guard finishes its work—which is valued at \$68,000—all that will be left for the town to do is match and seal the boundary. The town has applied to the Federal Aviation Agency for \$10,000 to surface the runway, but the FAA has not yet acted on this request. Nevertheless,

the runway should be usable when the Guard leaves, Town Manager Rodney Lynch said.

"It's been a long time coming—a lot of years of planning," Mr. Lynch said. For while it looked as if the project might be held up again—it was last summer—by lack of the required DEP permit. The permit—to allow earthmoving and to allow the stumps to be removed—arrived a week ago Friday. Mr. Lynch said he'd decided officials at the national, state and local levels put pressure

Selectmen mired in sewer problems

The Bethel Board of Selectmen spent most of Monday night's meeting dealing with sewer problems.

First came the matter of a sewer tie-in permit for The Four Seasons bed and breakfast establishment. The board had previously denied a permit request from Four Seasons' owners Sandy and Jack Mahon, who had requested a tie-in permit into the Elm Street sewer line for five additional guest rooms. The selectmen said at that time that the Elm Street line was too narrow for additional waste and suggested the Mahons consider connecting to the Main Street line.

Monday night that is what they requested. The selectmen approved the permit request with little discussion. The Mahons are converting the barn on the back of the property into five guest rooms on the main floor. They are converting the loft into a large, open apartment for themselves. Heat and other utilities will be placed on the ground floor. The addition of rooms will bring to 15 the number of rooms at Four Seasons.

No action yet on police

Bethel town officials are proceeding cautiously on Town Meeting's mandate to find a new police chief to run the local police department.

Town Meeting last Tuesday night rejected the selectmen's plan to contract with the county sheriff's department for police protection. Instead, Town Meeting told the town fathers to continue the local police force, and gave them \$95,000 with which to operate in the current fiscal year—about \$24,000 more than had been requested.

Town Manager Rodney Lynch said the selectmen will discuss what they are looking for in a chief before advertising for the position. The current chief, Bob Stearns, retires June 30. He is presently on vacation. (Police duties are being handled by reserve officers Terry Perry and Ricky Osgood.)

Opinions

They did the district proud

Although they didn't come home as conquering heroes last Thursday night, the Telstar baseball and softball teams came home as examples of what hard work and teamwork can do. Townsfolk in the various towns that make up SAD #44 are proud of them.

Both teams lost in their quests to win their respective Western Class C titles. But both went much further in post-season play than anyone had expected early in the campaign. In fact, for the girls, getting to the title round of play was further than any Rebel softball team had ever gone.

The players, coaches, and loyal supporters all deserve congratulations for an excellent season. They all proved that excellence comes to those who work for it. bfw

Letters to the Editor

To the Editor:

A particularly exciting school year has drawn to a close, a wonderful year for the Ethel Bisbee and Crescent Park students. Many teachers and students have been involved in the Bread Loaf Writers' grant sponsored by Will and Marguerite Graham. "Citizen" readers have enjoyed sharing their proud work through the "Young Voices" pages. Perhaps they can appreciate the excitement for learning that produced these endeavors.

To the happy young writers—keep up the good work! To all you dedicated teachers—I look forward to another season of inspired activities. To the local citizens and businesses that have helped underwrite the "Young Voices" pages—we appreciate your interest in developing young peoples' minds and hearts. And to the Grahams—a huge thanks for your many hours of tireless work and for your cooperative efforts with teachers in the nurturing of children's learning. Another fun year coming up!

Nancy Davis, Principal
EBSCPS

To the Editor:

I would like to thank the many people who supported improved police service at town meeting.

The additional money voted should allow much more patrol time, and much more reasonable working schedules for the men [and women] on the force. It has to be difficult to find good men [and women], who will accept the problems that go with being a policeman [woman], for only eight hours of pay a week.

We can expect about a 50 percent increase in hours of patrol. It is also likely that some on-call time would be possible. This would make it sure that a quick response could be made to any call for assistance.

Another important improvement is that the chief should have enough time to investigate the incidents in town. The previous schedule had nearly prevented this work, which is quite important in reducing the number of problems which occur. No amount of patrol time can assure that a crime will be stopped. It is virtually impossible for the police to be in the right place at the right time to actually stop something which is occurring. Good investigation is thus one of the keys to preventing crimes from occurring, because it offers a greater chance that the perpetrators will be caught.

The losses prevented will likely more than make up for the added cost of improved protection, and the reduced worry about what might happen next will be a bonus to us all.

From the Bethel Area Chamber of Commerce

The board of directors of the Bethel Area Chamber of Commerce met June 11 at 7:30 a.m. at the Casco Bank and the following issues were discussed.

A presentation was made to Henry McMunn for his help with tax assistance again this year.

The advertising committee is working on Maine Guide to Winter. If you received a letter from Robin Zinchuk and are interested in this publication please get back to her with your ad. The chamber would like to put a two color ad in this year.

The annual banquet was a success and Barbara D. Brown is commended for all her efforts and to everyone else who made this possible.

Robin Zinchuk and Becky Kendall attended Chamber of Commerce Day June 4 in Augusta. After sitting in on a few sessions they attended a reception at the Blaine House. Governor McKernan stressed that it is important to be a part of the process. Writing to your legislator about concerns or issues is a part of the process.

The Bethel town meeting was June 9 and our request for \$750 was approved.

We would like to start a community relations committee. A meeting of the members who volunteered at this morning's meeting will meet Tuesday, June 16, and come up with some ideas and we will keep you informed of its progress.

It is really important to get members and potential members to attend our meetings. If you have an idea and would like to see us work with you on it, bring it to the board's attention. We can't do anything unless you let us know.

Last month's newspaper article reported Bill Riley, president, and Mac McMunn, vice president. There has been a correction—Mac McMunn, president, and Amy Farrar, vice president, with Bill Riley sitting on the board as past president.

Paula Berry mentioned that July 17 is the date for the ground-breaking ceremony for the new quad chairlift at Sunday River. They have invited Governor McKernan and hope he will stay for the following day—Mollycokett Day.

Sunday River is preparing their booklet and the possibility of a "1-800" number for reservations for area lodging. We are having innkeepers meet Monday, June 15, to get the best approach. If not the "800" number, the chamber's number will be published.

Our next meeting is July 9, 7:30 a.m., Casco Bank. All are welcome.

More highway money available for W. Me.

State Rep. Jeff Mills (D-Bethel) has announced that the recent passage of the East-West Highway Bill by the Maine Legislature will mean more highway funds for western Maine. Assuring constituents that the new project, which will focus on Route 2, will not jeopardize funding for existing highway projects in the area, Mills described the East-West Highway project as a major upgrade over the next 10 years including passing lanes and widening.

Senator Ed Erwin (D-Rumford) stated that the project will receive \$150,000 for a preliminary engineering study, followed by \$450,000 in preliminary construction funds over the next year. He and Mills, a member of the transportation Committee of the legislature, have favored the East-West Highway bill since its introduction and have worked actively for its passage. Mills amended the bill in committee to insure that funds for the project would not be taken from highway projects in progress, and spoke in favor of the measure prior to its passage in the House. The East-West Highway bill has been passed by both the House and Senate and is awaiting the Governor McKernan's signature. Both Mills and Erwin hope that the measure will receive the approval of the governor.

RICK ROY SLIDES UNDER THE TAG of Falmouth's third baseman to put a Telstar runner in scoring position. The Rebels won last Tuesday's semi-final, 2-1.

Rebel girls finish best season ever

The Telstar Rebel softball team concluded its 1987 season with their first-ever appearance in the Western Maine Class C finals. Along the way, the team, led by tri-captains Glori Bolio, Jayme Tabb and Jeannine Conant, established several school records.

This season the team qualified for the playoffs for the sixth straight year—a new school record; they won 13 games—a new school record (the team finished 13-5 SPA and were 20-7 overall); they won three tournament games—a new team record; and they advanced to the Western Maine championships, losing to eventual state-champion Sacopee, to mark the furthest a Telstar softball team has ever advanced.

The team hit a solid .342 during the regular season and increased that to a lofty .429 for the first three playoff games. Leading the ladies during the regular season was Glori Bolio (.482), Mindy Robinson (.428) and Missy Johnson (.485). In the playoffs, Nancy Miller and Missy Johnson hit for a .500 average, Glori Bolio with a .428 and Jayme Tabb with a .357 output. Jeannine Conant, Mary Hutchinson and Buffi Taylor also finished with a solid .333 playoff average—Mary had a strong .363 regular season average—and Buffi finished at .312.

The defense was strong all year, led by the pitching of Heidi Belanger. Heidi finished the year 11-3, establishing a new school record for victories in a season. The infield—Jeannine Conant (third base), Nancy Miller (shortstop), Jayme Tabb (second base) and Mindy Robinson (first base)—was one of the strongest to ever play at Telstar. Jeannine and Jayme are three-year starters.

The outfield, led by strong-armed Glori Bolio in left and with the fleet Buffi

Boys, girls ousted

continued from Page One

Cosch Lunney said the Rebel bats were just cold. The girls got only one hit at the South Hiram field. They also only gave up four, but together with three errors, that was enough hits to give Sacopee the edge.

Playing at Hall-Dale, in Farmingdale, the Rebel baseball team led 8-2 after 2½ innings, but then a change of pitchers for Hall-Dale quieted Rebel bats, and the hosts pulled away to an 11-8 lead.

Telstar tied it in the top of the seventh, but the game slipped away, with two outs, as a Hall-Dale runner scored from third on a base hit to the right side of the infield.

With Ken Viger unavailable for pitching duties because of a dislocated elbow he suffered against Falmouth (in the semi-final game Tuesday), a tired Gary Williamson (who had pitched in every playoff game), got the nod. He was replaced by Corey Vail in the third inning.

Hall-Dale wound up losing the state Class C championship 5-3 Saturday to Washington Academy, of East Machias, while Sacopee repeated as state champions, downing Piscataquis, of Guilford, 4-3.

Taylor and Mary Robinson in center and right respectively, allowed very few extra-base hits this season. Catching was handled by Missy Johnson, who was vastly improved this year.

As with any good team, the bench depth was important to the Rebels and shows a lot of promise for the future. Senior Andrea Howe filled in at first base whenever Mindy Robinson was on the mound. Sophomores Kelly Bartlett, Brenda Taylor and Patti Jaros added a solid .360, .571, and .540 punch to the lineup. Freshmen Angie Jordan, Nicki Cross, Kristen Cushman, Mary Beth Hannon and Amy Thurston added speed and power to the team.

Highlights of the season included sweeping Berlin twice, for the first time in recent memory, Heidi Belanger throwing a no-hitter vs. Hebron Academy, the Rebels beating defending state champion Sacopee, 13-6, and, of course, making the playoffs and reaching the finals.

Cosch Jim Lunney would like to thank the seniors for their leadership and support and would like to thank the underclassmen for providing a good base for a strong future. "Great season, ladies," he commented.

Ex-Peace Corps woman speaks to Spanish class

Last Thursday, Mr. Otero-Otero's Spanish classes at Telstar Regional High School enjoyed a presentation by Susan Wyman, of Andover.

Mrs. Wyman, together with her husband, spent two years working in Chile as Peace Corps Volunteers. There Mrs. Wyman taught English and Math at the high school and college level while her husband, who is a forester, worked with the Chilean forest and agricultural service. She is fluent in Spanish.

She spoke with Mr. Otero-Otero's classes in Spanish, and also showed them slides of life and culture in Chile.

Mr. Otero-Otero said he hopes to have Mrs. Wyman back in his classes for future sessions.

Anglers asked to help in testing river fish

The Mt. Abram Fish & Game Association is asking local fishermen to help the state in determining the quality of fish taken from the Androscoggin River.

The association wants people to fish the river for the next two weeks and turn their catches in to Norm Dock, Bethel, who will freeze them and deliver them to the Matt Scott, chief biologist for the state, in Augusta.

The specimen fish should be tagged with the information on when and where the fish were caught.

Mr. Dock said the tests will determine how successful the river clean-up program has been, as the state biologist will check the fish for chemical content from the mills. Mr. Dock said the river is the cleanest it has been in 50 years.

HOSPITAL OFFERS COURSES

Two courses are now being offered on an ongoing basis by Stephens Memorial Hospital: cardiopulmonary resuscitation (CPR), and multi-media first aid.

The CPR course offers a four-hour adult CPR class designed specifically for the general public, an eight-hour all-population class for health care professionals, and recertifications.

The multi-media first aid course is an eight-hour course that leads to American Red Cross Certification. Participants learn how to deal with shock, wounds, burns, poisoning, head injuries, and other injuries.

Information and registration for both courses is available by calling the Health Education Department, at 743-5933, ext. 471. Pre-registration is required and groups are welcome.

The selectmen next approved a request from the developers of Eden Ridge to hook up their units to the private sewer line in the subdivision. The selectmen made it clear that this was not permission to tie in the subdivision with the municipal sewer, and they told the developers they wanted to be able to check the sewer work before the developers covered it. The developers have been covering the sewer trenches before inspection.

David Thurston, owner of the Sudbury Inn, came before the board to challenge a ruling handed down two weeks ago. At that time the board approved a permit for Mr. Thurston to tie in two new toilets and a bar sink—all part of his new basement bar being built at the inn—to the Clark Street sewer, provided he replaces most of the sewer line along Clark Street. The reasoning was that the Clark Street line fills up with infiltrated water and already backs up into houses along the street, and therefore could not accept more waste unless it is re-built. Mr. Thurston figured the cost of replacing the sewer line at \$5,000.

Monday night he argued that The Bethel Inn is being required to replace a portion of the Broad Street sewer at a cost of \$38,000, in order to install about 80 toilets. That comes to less than \$500 per toilet, he noted. On the other hand, he is being asked to spend \$5,000 on improving the town sewer just so he can hook up two toilets. That averages out to \$2,500 per flush, he pointed out.

Don Brooks, who is doing the plumbing work on the new bar, said the present six-inch line on Clark Street should hold double the seven residences already on it. (The Sudbury Inn proper is tied into the Main Street sewer line, but since the basement bar is so low, it would require a pump to get the waste water from the bar area up to that line.)

However, sewer plant worker Rob Gundersen said the line backs up regularly, primarily because ground-water enters the line, which is mostly clay pipe.

"You mean a six-inch line can't handle seven residences?" Mr. Brooks asked. Mr. Gundersen confessed that such was the case.

Mr. Thurston said he considered it the town's responsibility to take care of the line if it was, in fact, in such bad shape. Mr. Brooks concurred: "If the sewer is not capable of doing [its job], the town ought to fix it."

Selectman Arlan Jodrey said, "We have a big problem and we can't afford to spend any big dollars without getting help."

Mr. Thurston said he could understand that, but, "I don't see why I should pay for the whole thing."

As the discussion wore on, Mr. Brooks pointed out that he and Mr. Thurston had decided to move the toilets so they could flush into the Main Street sewer; that left only the bar sink to connect into the Clark Street sewer line.

Selectman Jodrey said even that extra amount of gray water could cause the line to bother. "We're going to be in deep soup if it backs up into everybody's house."

Selectman Pat Doon then suggested that further discussion be postponed, at which point Mr. Thurston and Mr. Brooks left the meeting. When discussion continued—after the board dealt with some other matters—Mr. Jodrey said, "I don't think that adding to a line that's got a problem is the answer."

Town Manager Rodney Lynch pointed out that the new owners of the Thurston's former property on Clark Street, adja-

The selectmen did not discuss the police situation at their regular meeting Monday night. They will hold a special meeting tomorrow (Thursday) night, but it was unclear at press time whether they will tackle the question at that meeting.

Mr. Lynch said the matter of hiring a new chief is too important to be done hastily. Also to be decided by the selectmen is how to utilize the extra \$24,000 voters put into the police budget.

The total amount of money appropriated by Town Meeting last Tuesday (not including loans and carryovers from previous budgets) was \$664,967. This will be partially offset by \$18,000 in revenue sharing and a \$5,000 donation from Gould in lieu of taxes. The amount to be raised by taxation will be further reduced by using \$225,000 from surplus. Thus, the net amount to be raised from taxation is \$418,967, plus tax money for the school district and the county government.

State officials caution on exploding fireworks

State officials remind citizens that having or using fireworks without a permit is a violation of Maine law.

"The tragedy is not just disobeying the law, but also the serious injury that can result, as happened a few years ago when four people were hospitalized after their car exploded from fireworks they were bringing into Maine," said State Fire Marshal Don Blisset, of the Maine Department of Public Safety.

"The only legal fireworks in Maine are paper or plastic caps (as used in cap guns) and sparklers, unless it's an exhibition for which a permit has been issued by the State Fire Marshal's office," Mr. Blisset said.

The maximum penalty for disobeying the law is a \$100 fine and one month in jail.

cent to the inn, are converting the house into at least three condo units, which will be hooking into the sewer shortly through the existing tie-in. He noted that this will add much more waste to the line than the bar sink would. Mrs. Doon concurred: "Fuzzy's sink is negligible in comparison."

The other concern the selectmen had with the work being done at The Sudbury was that the Clark Street sewer line was covered over with boulders (from the inn's foundation) and fill to prepare a new parking lot. This, the selectmen said, would eventually constrict or break the line, which is plastic pipe in that area.

The board voted to have the town manager discuss with Mr. Thurston the possibility of his agreeing to dig up about 60-feet of the Clark Street line, remove the boulders from around it, replace it and recover it. In exchange, it was suggested, he would get a permit to hook up the outflow from his bar sink into the Clark Street line.

Mr. Lynch spoke with Mr. Thurston yesterday and was supposed to have a reply from him, and a recommended course of action for the selectmen, at a special selectmen's meeting scheduled for tomorrow (Thursday) night.

In other action, the selectmen, upon recommendation of the town clerk, voted that after July 1, Bethel will no longer issue automobile transfers for out-of-town residents. Town Clerk Merton Brown informed the board that in recent months his office had handled 347 transfers, and 99 of them were from non-residents. "It consumes time and space

moment—the awarding of the diplomas. The job was done by Superintendent of Schools Dewaine Craig and Chairman of the SAD #44 Board of Directors Darline Hall.

The school band, directed by Harry Davis, played fitting music for the ceremonies; class co-president Ken Viger welcomed the crowd, while co-president Mark Hindman gave the farewell. Rev. Brendon Bass gave the invocation and benediction, while classmate Dennis Gallant sang an original composition, "Wings." In memory of departed classmate Vincent Chapman, the graduates sang, "You've Got a Friend," accompanied on the piano by Beverly Melville. The marshals for the procession were Ellen Hastings and Amos Kimball.

On Thursday night, Baccalaureate was held in the school's auditorium. Silver Leamon, pastor of the Locke Mills United Church, delivered the message, while Rev. David Larson of the Bethel Gospel Center gave the invocation and benediction and Rev. Marjorie Churchill of Andover's First Congregational Church gave the prayer. Cheryl Lord sang the choral selection.

The graduates collected over \$115,000 in grants, awards, scholarships and financial aid, Principal Ted Davis announced. Most of the awards were presented last Wednesday night, at the Awards ceremony, but some were announced later.

The award winners and their awards are as follows:

(and) it's out of hand," he said. He further pointed out that most bad checks taken in by the town are from out-of-towners.

In yet other action, the board voted 4-0 (Victor Coolidge was absent) to send a letter to Gould Academy urging the school staff to park their cars in the parking lot on Elm Street rather than on Church Street, as they have been doing. If this is not done, the selectmen warned, they will set a time limit for cars parked on Church Street.

The selectmen voted to re-elect themselves for new officers. Re-elected chairman of the board was Arlan Jodrey. Elected vice-chairman was Arthur Gilbert.

They also interviewed candidates for two vacancies on the Planning Board. Interviewed were Reggie Brown, Donna Remington, Jan Baker and Deb Dohmann.

High Street West Paris

By VIVA WHITMAN

The weather seems to have improved some, thank goodness. I hope it will stop being so humid for awhile. I could sure stand it if it did.

Last Thursday, Wynona came up from Lewiston and took me to North Bridgton for my treatment as Kariann needed to be seen again. She was a good girl and let the doctor treat her and get it straightened out from her fall. I didn't do too much in the afternoon as we were all planning to go to West Paris Grange for the three point meeting that evening. It was preceded by a potluck supper with each grange bringing something to help out. Had a good meeting and all in all, a good time.

Wynona came up again on Friday and took me home with her as I wanted to go see her adult education. I didn't know any of the folks who were graduating but just wanted to see what was going on. Nosey, you could call me, but was I glad I went! It was wonderful to see the enthusiasm of all the folks there, giving their love and support to family members who were graduating. Caps and gowns were worn by the graduates as are regular high school folks and it did a lot for the folks who were wearing them. There was even a lady in a wheel chair who had had to have Wynona come to her apartment to give her the GED tests, but she got a one-of-a-kind greeting from the crowd. It was wonderful to see the hall so near full and if they keep on having more and more graduates, they will have to have a large hall. A video tape was made of the program, giving the graduates a chance to buy one for remembering the courage they had to go back to school after years and get their diplomas. At the get together afterward, the graduates were lined up being congratulated by all and some folks help up a sign that they had made that said, "Congratulations Mom-Grandmother."

If that doesn't show what it means to the family as well as the graduate, I don't know what would. I was a great sight to see. Awards were given for different things, making it even more impressive and good. All can say is that I am glad I went and enjoyed the sights and sounds of those adults getting the recognition they deserved for going back and working to get their diplomas.

Got to see Wynona and the girls again on Saturday as she brought Kariann up to stay overnight. She wanted to be sure she would be all right to leave when she goes on her vacation in another week. Russell and Peggy went to Bryant Pond to take in some of the things going on at the old school where we went as youngsters. They visited the museum and went on to Bethel to see Peggy's grandson play baseball. Jim Merrill has played baseball for a number of years and loves it and she likes to see him play when she can. My legs weren't up to it so stayed home alone and did some house cleaning. Don't think I will ever get it done at this rate of speed.

Saturday was a lovely day and Kariann slept late but was good natured when she got up. She doesn't have oatmeal at home but she did here and it had raisins in it which she likes very much. Took Kariann out swinging a couple of times and she was sleeping when her folks came to get her. After supper, Peggy took us for a ride up through Richardson Hollow and out to the Greenwood Road and then up on the Crockett Ridge road to see what the places looked like as that is where Peggy was born. So was Russell but things are sure grown up where they used to be open fields and homes. It seems a shame to see the fields grow up to bushes and farms abandoned but that is

what happens so many times. We played a game of Tri-ominoes when we got home so it was a full day.

Sewed up a storm on Monday, getting some slacks made for Courtney and got some to make for Kariann. Went to North Bridgton for another treatment. Russell worked in the garden what he could. Peggy and I did a little shopping before going to the doctors that day.

Did a lot more sewing on Tuesday as it takes me longer to make things than it used to, but have done pretty well considering. Russell was working in the garden and found the leaf miners were after the spinach and Swiss chard so pulled it up. It seems to be the only way to get rid of them. I felt bad as I had been looking forward to lots of greens to freeze as well as to eat but what can one do? Doesn't seem to be anything that will stop them when they once get started and they ruin leafy vegetables in a hurry. Something is also after the beans so don't know if we will get much from them either. One is in for a fight if they try to raise a garden and it seems that there are more new bugs every year, but not the needed stuff to get rid of them. It makes it very disappointing when one works hard and then the bugs take over and ruin things.

We had a visit from Hilda Taylor in the evening. Tuesday, she sells Avon and was calling to see if we would like to buy anything. Everything looks so tempting but have to be careful of spending when limited to a small amount each month. It was fun to look at the books and dream a little anyway.

Wednesday and the weather cleared out better so it was a good day. Russell pulled some rhubarb and I froze a few packages and hope to freeze more, later. Russell and Peggy went to town while I was working at baking some of my zucchini carrot bread or cake. It tastes more like cake and that is what we used for Russell tried to change the wheels on my

Nature Conservancy donates land to Forest

The Maine Chapter of The Nature Conservancy has transferred nearly 1,900 acres surrounding Virginia Lake, in Stoneham and Lovell, to the White Mountain National Forest.

The Conservancy purchased the land last December, for \$925,000, with the understanding that it would later transfer it to the WMNF.

The secluded and unspoiled Virginia Lake area is habitat for loons and moose, and a favorite recreation spot in the region. The U.S. Forest Service will manage the property for dispersed recreational activities such as boating, hiking and cross-country skiing.

car but didn't have any luck so will have to take it to a garage to get them changed.

We were surprised in the early afternoon by a call from Ivy Bartlett. She had come to visit Peggy and we visited with her for a little before they went up to Peggy's abode. It was nice to see her. Russell worked in the garden spraying the dear little bugs and then after supper, rotated up where he had pulled the greens so he could plant string beans to see if they would grow there. It is hard to know what to try next.

Forgot to say that Peggy went to the dance at West Paris Saturday night and said they had a good crowd and a good time. There are never enough men for all the women to dance with but they dance with one another and have a time good just the same. She hopes to be able to go again in the near future.

One never knows what the day will bring but hope it will be a good one for all concerned. If we live from one day till the next and don't look too far ahead, we may all be better off. So take care one and all.

Belated congratulations to all the graduating seniors, both old and young, in all of our towns.

Mrs. Florence Hiley, who lives with her son and daughter-in-law, Nathan and Roberta Hiley, will celebrate her 100th birthday on June 15. She will go to Amesbury, Mass., to visit relatives so she had a new hair "do" today. She is a very spry lady and enjoys work on the farm. Happy birthday Florence. We hope you have many more.

Eveline read with interest about "open house" for the new Woodstock School located on the road to "Pinhook." Eveline graduated from old Woodstock High in 1927 and God willing she will attend the 60th reunion of her class at Telstar on June 13. There are four living members, Mary Mills, Carrie Robinson, Lempi (Korhonen) Wyman, and Eveline.

Eveline has her fingers crossed as she has been sick all the week and been to doctor twice, and went to Stephens Memorial Hospital for tests June 11. Arnold Coffin had a dentist's appointment at Bethel and a doctor's appointment at Norway this week.

When Mr. and Mrs. Joe Vatcher visited Joe's mother on June 6, she didn't know them and has become very hard of hearing, and there's been no change since.

LEEMAN RECEIVES AWARD

Coast Guard Petty Officer 1st Class Peter A. Leeman, son of Thomas and Doris Leeman, of Temple, recently received the Lt. Robert A. Leeman Perchard Memorial Award for the period July 1 to Dec. 31, 1986.

Leeman was awarded the citation for displaying outstanding professionalism, leadership, and devotion to duty in aviation.

He is currently serving at Coast Guard Air Station, Selfridge Air National Guard Base, Mich. A 1977 graduate of Oxford Hills High School, he joined the Coast Guard in November 1977.

He is married to the former Darlene Hanscom; they have one daughter, April.

Ballerina in Bethel

Denise Pons, prima ballerina of the Boston Ballet, will be the guest artist at The Upson Playhouse on July 11-12. She will appear, with flute accompaniment, under the great striped tent on Saturday, July 11, and Sunday, July 12, at 1 p.m. and 12:30 p.m. respectively. The Upson Playhouse is located in the gardens of the Hammons House, on Broad Street, Bethel.

Ms. Pons began her formal dance training in New Orleans, with Joseph Giacobbe. At the age of 13 she received an American Ballet Theatre scholarship and for many years thereafter spent summers dancing with that organization. Texas Christian University awarded Ms. Pons a Nordan scholarship and she attended TCU for one year until 1977, when she moved into the professional dance world as a member of the San Francisco Ballet. She has also danced as a member of the Metropolitan Opera Company. She joined the Boston Ballet as a soloist in 1982.

Ticket subscriptions and information on the Upson Playhouse's picnic plays and the Children's Tent Theater series is available at Edelweiss Country Store

Field days, awards and special parties are highlighting this week's news. Due to popular demand, Special Reading ran a Scrumptious Sundae contest again this year. During the fourth quarter, 3rd through 6th-graders earned points on their book conferences by answering comprehension questions and reading a selected passage from their book. The following 17 students earned the required 150-200 points, which made them eligible to make and eat their own scrumptious sundae: Charlie Billings, Adam Boutot, Todd Bouchard, Arthur Campbell, Stacy Dean, John Edmunds, Laura Hall, Hazel Herrick, Kevin Hutchins, Beth Hutchinson, Daniel McAlliff, Tammy Montminy, Doug Penley, Renee Pratt, Millan Robinson, Chris Tripp and Joseph Webb. Third-graders Renee Pratt and Jodi Gilpatrick organized a "We're Glad We Have You" party to honor their teacher, Mrs. Loper. Renee baked a cake and Jodi supplied chips. The room was decorated with hearts, and Mrs. Loper was given two porcelain figurines and a Cabbage Patch stamp. She can use the stamp for all the good papers in third grade!

The annual field day, held at Hebron Academy, was its usual success. The 6th-graders came away with most of the ribbons, but the 4th and 5th-graders will have next year to be on top. Winners and events were: Softball throw, all 6th-graders: Shawn Dexter, 1st; Todd Bouchard, 2nd; Mike Lackey, 3rd. Three-legged race, all 6th-graders: Todd Bouchard and Justin Wormell, 1st; Shelley Robinson and Amy Small, 2nd; Diana Poland and Heather Newton, 3rd. Sack race: a 5th-grader, Becky Abbott came in 1st; 6th-graders Shawn Dexter, 2nd and Amy Tikander, 3rd.

Running broad jump: Shawn Dexter, Grade 6, 1st; Joshua Adams, Grade 5, 2nd; Wendy Lary, Grade 6, 3rd. Frisbee throw: Todd Bouchard, Grade 6, 1st; Andrew Merrill, Grade 6, 2nd; Bethany Hutchinson, Grade 4, 3rd.

The running events were all won by 6th-graders and are as follows: 50-yard dash: Wendy Lary, 1st; Amy Tikander, 2nd; Jenny Ruokola, 3rd. 100-yard dash: Amy Tikander, 1st; Todd Bouchard, 2nd; Wendy Lary, 3rd. 220-yard run: Todd Bouchard, 1st; Jenny Ruokola, 2nd; Shawn Dexter, 3rd. 440-yard run: John Edmunds, 1st; Wendy Lary, 2nd; Justin Wormell, 3rd. 880-yard run: John Edmunds, 1st; Shawn Dexter, 2nd; Justin Wormell, 3rd.

The relay team race from each class also had the expected results. Grade 6 came in 1st, starting Amy Tikander, Todd Bouchard, Shawn Dexter and Wendy Lary. Grade 5 placed 2nd, with Rebecca Blake, Jara Ginzski, Joshua Adams and Jacqui Beauchesne. Grade 4 was a close 3rd, and started Tony Bouchard, Jesse Eastman, Adam Boutot, and Andy Leach. Joseph Webb received a 1st place ribbon for racing around the track in his wheelchair.

Mrs. Beverly Farrar, the coach of the West Paris YMCA softball, is very proud of her team. Kindergarten through Grade 6 are eligible to play. Her team is made up of K-4 and they have won their first two games. They beat Oxford, 11-8, and Norway, 19-3. The four kindergarten players are: Kevin Hutchins, Johanna Farrar, Matthew Hiebert and Jessie Conyngnam. Three 1st-graders: Tove Westleigh, Matt Haas, Ian Conyngnam;

By LOUISE LORING

Someone has asked me to repeat the advice I gave to seniors some years back. So go for it, class of '87—Now that all the excitement is over, your diplomas and tassels are now mementos of the past, your class flowers pressed and put away, and you have been told by everybody else what's best for you to do, maybe, at the tail end, add my two cents worth. So as you step out into the hard, cruel world that lies ahead—please be aware of these few facts—

1. While and colored clothes cannot be washed together in one machine. Regardless of popular myths—dryers do not eat socks.

2. A diet of junk food alone will get you nowhere except to the emergency room.

3. Purchase a reliable alarm clock. It is harsher, more persistent than Mom's yelling. Promptness is a virtue.

4. Late nights and manual work don't mix, suddenly an 8 hour day drags into two 16's.

5. Clothes tossed on the floor will wrinkle and clothes packed to overflowing can be extremely dangerous when the door is opened suddenly.

6. Drawers filled to capacity with an assortment of underwear, stationery, potato chips, and other sundry items have a tendency to: A-not close properly, and B-mildew, mold or rot.

7. Beds not made properly cause backaches, and wrinkles in sheets, bed sores.

8. Whispering, writing notes and laughing during work hours can cause an abrupt cancellation of a paycheck, permanently.

9. A tolerance of roommate's bad habits must be nurtured. Co-habitation is a learning experience. (It does not come naturally, ask your parents if this is true.)

10. Factory work causes broken nails, calluses, humps, lumps, and bruises. Severed limbs too if safety rules are not observed. Stay alert.

11. Foul language is obnoxious anywhere.

12. Dirty dishes cause food poisoning. Hey, perhaps living with ol' Mom wasn't so bad after all. Come on let's give her a break. She needs a rest. You'll get the hang of it!

Seriously, now, congratulations and best wishes to all of you, and may you meet success in whatever you attempt. Remember, one does not ever fail, if one at least tries with his heart! So—on with life—much luck—God Bless and Peace!

Amnesty weeks at the Bethel Library July 1-18

Look under your bed, in the back of your car, and even on your bookshelves: do you have overdue Bethel Library books that you have forgotten about? Are you afraid to take them back to the library because of the fine?

From July 1-July 18, you don't have to be afraid. In an effort to retrieve long-overdue books, no fines will be collected and no questions asked on late returns. You can help the library by taking advantage of this once-a-year "amnesty" period.

Mrs. Eleanor Nelson is taking care of her two grandchildren, Matthew and Molly, while their parents, Mr. and Mrs. Dale Nelson, are on a trip.

The Russell Dudley place is now up for sale, also the old Ernest McAllister place on the schoolhouse road.

There was an all parish church service here on Sunday, June 14.

Mrs. Geneva Tripp and her sister, Mrs. Carolyn Heino went to Ledgeview, West Paris one day this week and took their grandmother, Mrs. Bertha Leonard, who lives there out for dinner as it was her 102nd birthday. She is still very alert and loves to go out for rides.

Mrs. Helen Grover still remains with her daughter, Joyce, in Norway. We will all be glad to have her back when she feels better.

Brenda Files and friend went to Jefferson, N.H., Sunday. They visited several yard sales on the way.

Mrs. Grace Nelson took her dog up to Dr. Hudson, veterinarian, in Bethel Monday for surgery.

Pete Fox is doing some work for Helen Grover.

Minnehaha Temple, Pythian Sisters, observed inspection at its June 5th meeting, held at the K. of P. Hall. A supper was served to 22 persons at the church vestry preceding the meeting.

All officers were present except the protector. That office was filled by Evelyn Bean, a guest from Bryant Pond.

Roll call showed two visiting M.E. Chiefs, three Grand Temple officers, sitting M.E.C. Marjorie Messenger; P.G.C. Ruth Davis; and four Past Grand Chiefs. Our own member Phyllis Millett was installed as Grand Senior—by Sisters Messenger and Davis.

The balloting and other work was exemplified and the charter was draped for 30 days in memory of Grand Chief Gertrude Curt.

The mystery box went to Sister Estella Varney.

The June 19 meeting will be in charge of Shirley Raute after which we will recess until September.

Literacy awareness evening held June 1

The SAD #4 Adult and Community Education hosted Literacy Awareness Evening at Telstar Regional High School last Monday, June 1. Director Cathy Newell said the session was planned to initiate activities in the SAD #4 area to increase awareness of literacy services for adults.

Attending the session were: Ann Holt, Telstar faculty and SAD #4 Adult Education; Sue Wight, Newry Community Church; Mary Lyon, Jackson-Silver Post, American Legion and Auxiliary, and a former literacy volunteer in Portland; Muriel Whitney, Bethel Area Health Center; Sylvia Wight, Newry, Adult Education Advisory Council; Becky Inman, prospective tutor; Kathy Cummings, Bethel, interested citizen; Bob Anderson, Albany, Adult Education Advisory Council; Merrill Bittner, SAD #4 Adult Education guidance; Don Sandstrom, Newry, prospective tutor; Carolyn Colby, Greenwood, Adult Education Advisory Council; Mary Isham, Albany, Adult Education Advisory Council; Shirley Hodson, West Bethel, prospective tutor; and Cathy Newell, SAD #4 Adult Education director.

Judy Green, director of Adult Education in SAD #17 and a member of the Project Literacy U.S. Task Force, presented a program on Literacy Awareness. She outlined statistics relating to literacy in the U.S.—one in five adults is functionally illiterate, meaning, they cannot read, write or compute at a level necessary to function in modern society. She described the cost of illiteracy in terms of lost productivity, waste and accidents in the workplace, and in terms of the devastating effect on the self-esteem of the illiterate individual. Some of the reasons that adults are illiterate have been identified as lack of services at the time they were in school, family problems, such as illness, alcoholism or abuse which interfered with the learning process, chronic absenteeism or frequent family moves, and learning disabilities.

Work with illiterates has shown that it is possible to learn to read as an adult because methods employed focus on one-to-one instruction, using varied approaches and techniques, in a setting in which the student is comfortable. The biggest motivators for student participation were identified as jobs and children. Ms. Green spoke of the services provided by local adult education programs and Literacy Volunteers, as well as the PLUS campaign, which is bringing media resources, both TV and print, as well as support from the business community, into the battle against illiteracy.

The group discussed the need for publicity and agreed that it is necessary to develop special ways to get the message about available services to potential students and other methods to publicize the issue to community members, families, clergy, employers, and school personnel.

The Maine Tutor Training Course, developed as an expression of Literacy Volunteer training, will be offered in SAD #4 during the summer or fall. Volunteers will then be available to work with students in Learning Center settings, or in homes. Recruitment will be seen as one part of the tutor's job in concert with the adult education office. During the summer, new students will be served by tutors already trained, or absorbed into the Wednesday night Learning Center. So far Don Sandstrom, Bob

GERTRUDE HUTCHINS PRESENTS the Memorial Book to Middle Intervale Meeting House Society President Sue Fiske. Mrs. Hutchins recorded the contributions in calligraphy.

Middle Intervale Meeting House Society holds annual meeting

The annual meeting of the Middle Intervale Meeting House Society took place on Monday evening, June 8, at the Meeting House. Approximately 25 members and guests were welcomed by outgoing President Sue Fiske, who was pleased to announce the completion of the latest phase in the Meeting House's restoration—that of the floor refinishing.

With the newly refurbished interior lit by candlelight, the meeting began with the secretary's and treasurer's reports. Mary C. Keniston, chairman of the Investment and Finance Committee, next outlined changes that had been made to clarify the society's financial situation; these revisions were present in a well-organized handout given to all present by the treasurer, Louise Annis.

President Fiske then introduced Gertrude Hutchins, who spoke briefly and presented the society with a "Memorial Book" in which she had recorded many of the contributions by members and friends to the society since the organization was begun in 1978. Mrs. Hutchins was presented with a small gift as a token of the society's great appreciation of her efforts.

Discussion during the remainder of the meeting included maintenance of the grounds around the Meeting House, painting of the porch and repair of the tower base, the appearance of an article about the Meeting House and common which was written by Phyllis Dock and appeared in the Bethel Summer Recreation tabloid, the society's six-page newsletter which was mailed out earlier this spring, and the establishment of membership year, which will continue to run from January through December.

Also covered during the new business portion of the meeting was planning for events for the 1987 summer season, this year to include a barn sale on June 27 at the home of Debbie and Bernie Michaud (Marshall place), just south of the Meeting House, and the society's annual food sale at the Dr. Moses Mason House during Sudbury Canada Days, this year on Aug. 8 and 9. The possibility of having a quilt show at the Meeting House was also covered.

Election of new officers took place before the meeting's conclusion. Voted into office were the following individuals: president, Geraldine S. Howe; vice president, Debbie Michaud; secretary, Randall H. Bennett; and treasurer, Louise Annis.

The next meeting of the society will take place on Monday, July 13, at the meeting house. All are invited to attend.

By COLISTA MORGAN

One of the most exciting things about our planet; that it is equally mysterious whether we view it with unaided vision or through a telescope.

Summer in Maine which we wait for through the long cold winter arrives suddenly and goes the same way, leaving us wondering where it went. Well, it's now June one of our most delightful months. In the timid light of dawn the grasses and leaves looked refreshed having enjoyed a show during the night. The soil was content with its moisture. I waited for the moisture to be taken away by the wind and sun before I ventured out for a real walk. I did go to the mailbox than stop to see the moose eating breakfast from the pond. As I looked around across the fields, over the hills and down the whole valley, every blade of grass and all growing things were like bowing folds, a blanket draped over the land to the very edges of the brooks and ponds.

The air was filled with perfume, the flowering plants, which adorned the landscape wherever I looked. Birds were singing—thrushes, song sparrows, purple finches, robins, orioles,—June is a busy month.

I had no special objective in mind other than to look, listen, and smell. I had no urge to hurry.

Frolisome shadows, gay, and magic skipped across the greening hills. Again the ancient miracle had come blossom by blossom.

Thoughts came without trying to capture one. Happy or sad they were suddenly there without warning. Once there they were not easily abandoned until another arrived. They were easy to come but not easy to get rid of. I couldn't shake them or give them away, but sharing would have lightened the burden. Those too vague for precise expression I had to carry by myself and bear to live with, alone.

By mid afternoon it was dry enough to walk the Bulldozer Road—so I thought. Above me, fat and fleecy clouds, like freshly washed wool, floated slowly across the blue sky. I watched them dreamily.

The roadside and clearing were generously dotted with little white blooms of the wild strawberries.

Walking on I turned right to avoid a tiny pool and stepped on a fairly firm looking spot and "flop" it remarked, as it caved slightly under me. Then "Sl-o-o-o-k!" it added, as I pulled my foot out. This didn't faze me for I had experienced much worse. "Teep— teep" came little bubbles as my foot-marked filled.

I crossed to the opposite side arousing now and then a "Glip-lip-lip."

On all sides shrubbery fluffed out to adorn the roads curving edges, enclosing it in peace. My feet carried me on to the gate but my thoughts poked on dreamily.

Along this quiet stretch I became conscious of the music I'd been hearing, as birds, birds everywhere spilled over with melody.

Mary Fay Holt recently celebrated her 4th birthday at the home of her grandparents, Leonas and Fay Holt, Greenwood City. Her cake was made by her grandmother. Enjoying the party with her were her father and mother, David and Sally, Robert and Jeri, Jenny and Ricky Holt, Colista Morgan and her grandparents.

Then I burst into into the open view of the fields and the ponds.

I had followed this country road, around the turn and past the green, a flash of color of birds' wings, and in tune with this summer day, flowers in motion like waves on the ocean, which I left. Only a few of the millions of things which in years I had experienced along this lane.

It was like a fairground here on Saturday, early afternoon, because many cars and people stopped to see and take pictures of the moose.

I had several visitors this week: Ann Holt, Bethel; Katherine and Nita Hakala, Leonas and Ann Holt, town; a classmate from Bangor, Charles Haselton.

Many of us were saddened to hear of the death of Linwood Emmons who grew up here in our little community. We extend our sympathy to his wife and family.

Dot Curtis had the following callers: Phil and Dot Bentley, Lewiston; Albert Curtis, Buckfield; Mildred Bowman, Hebron; Nita Hakala, Katherine Hakala, town.

Kathy Curtis enters Stephens Memorial Hospital for tests this week.

Mr. and Mrs. Fred Curtis, son, Albert, and daughter, Colista Cogswell, were in Ohio for a few days to visit Kenneth Curtis and family and to attend the graduation of Mark Curtis.

Louise DiArenzo, Pennsylvania, is spending some time with her parents, Mr. and Mrs. Pat DiArenzo.

THIS SUMMER'S TRAINING PROGRAM FOR "B" COMPANY of the 133rd Engineer Battalion includes building roads in the Bog Brook training area, in Gilead, where the above photo was taken. Other elements of the company are at work at the Bethel airport and at Twin Bridges, in Riley Plantation. Other elements of the battalion are working on projects in Oxford.

NATIONAL GUARD ENGINEERS from the 133rd Engineer Battalion, based in the Saco/Sanford area, examine the runway situation at Col. Dyke Field, in Bethel. The old runway runs from the right of the photo to the left. The new runway the engineers are working on runs from lower right (where the troops are standing) to left center (where the earth-movers are at work).

Guard builds new runway

continued from Page One

on the DEP to expedite the permit being issued.

The stumps from the airport work will be trucked, by the Guard, to some town-owned land near the landfill, Mr. Lynch said.

In addition to the work being done at the airport, which, according to one sergeant is the most important of the tasks the battalion has in the Bethel area this year, the members of "B" Company, with attached units from other companies and other battalions, are also at work at the training site on Bog Brook, in Gilead, and at Twin Bridges, in Riley Plantation, near Newry.

At Bog Brook, the troops are installing a holding tank, insulating the buildings, installing heating ductwork, installing a gas furnace, building a road network between the main camp and the annex.

At the Twin Bridges area, the troops will be raising one end of the bridge installed last year in order to allow more water to flow under it without pushing against the bridge structure. They will also construct a parking area and a holding tank there.

There are 131 members of "B" Company taking part in this summer's two-week exercise. They are being joined by specialized personnel from other battalions, plus support personnel from "A" Company. There is even one woman taking part in the summer drill, a medic.

The 133rd Engineer Battalion is based in the Saco/Sanford area, according to SFC Harold Boudreau, who is an industrial engineer for a textile mill in Biddeford when he is not acting as first sergeant of "B" Company.

He said the bulk of the troops arrived last Friday (June 12) and will remain in the area until next Thursday (June 25).

Franklin Grange of Bryant Pond and Paris Grange met with the West Paris Grange on Thursday, June 4, for their second three point meeting this spring.

A 6:30 supper was served by the host grange. Franklin Grange filled the chairs and Paris Grange filled the program. The charter was draped for Ken Swan, a member of West Paris Grange.

Lecturer of Paris Grange, Ruth Lord, carried out the program. A song, "Welcome," was sung by all. Mrs. Pike displayed crafts which one could make from beads. Marion Bennett and Peggy Blake made an ornament for a refrigerator in a few minutes. Charles Perry played an accordion solo and encore. A poem by Pamela Ellismore. Marion Bennett read a story after the audience filled in blanks for her. Ruth Lord played "Wooden Soldiers." Shirley Foster read "Three Monkeys." The lecturer, Ruth Lord, read "The Wedding of the Flowers," which her mother wrote years ago. "Abide With Me" concluded the program.

PROMOTED IN AIR FORCE
Chester R. Curtis, son of Chester R. and Marguerita Curtis of Damariscotta, has been promoted to the rank of first lieutenant in the U.S. Air Force. He is an internal information chief at Elmendorf Air Force Base, Alaska, with the 21st Tactical Fighter Wing. His wife, Brenda, is the daughter of William F. and Frances B. Cushing of Route 232, Bethel.

THUNDERBIRDS AT PEASE AFB
The U.S. Air Force air demonstration squadron, the Thunderbirds, will perform at the annual Pease Air Force Base open house Sunday, July 5. The open house is scheduled for 10 a.m. to 4 p.m., with the Thunderbirds' performance starting at 2:30 p.m. The Thunderbirds will also provide a brief practice show on their arrival at Pease, at 10 a.m.

There will also be ground displays of various military aircraft, and various aircraft will perform fly-bys throughout the day.

In addition to the aircraft, there will be demonstrations by several Pease military units, and the Air Force Band of New England will perform.

Admission to the family event is free. Due to the expected large crowd, visitors are encouraged to carpool as much as possible and to try to arrive early.

Pease AFB is located three miles from Portsmouth, N.H., off the Spaulding Turnpike, just off Interstate 95.

Andover

By MARJORIE JODREY

On Saturday, June 6, some of the junior class at Telstar Regional High School were at Oxford Hills High School to take their Scholastic Aptitude Tests.

Mrs. Ruth Wentworth of Albion spent the weekend with her sister Mrs. Eva Bodwell and attended the Andover High School alumni banquet.

On June 10 the kindergarten class of Andover Elementary School had a field trip to Bailey's Farm. Also there was a book fair and ice cream social that evening. On June 9 the fourth quarter spelling bee was held at 9 a.m. On June 13 the 6th grade held a car wash at the church parking lot and a food sale at Mills' Market with the proceeds going towards their class trip to Boston on June 15. Also on June 14 the kindergarten class enjoyed a field trip and picnic on Farmer's Hill at Mrs. Sabin's. The annual field day was held June 16. Class night will be held at 7 p.m. on June 17 and on June 18 awards assembly at 10:30 a.m. So many activities the last week of school. Last day of hot lunch is Wednesday, June 17; milk will be available until June 19.

Frankie Emerson and sons, Forrest and Justin, of Andover, Mass., spent the weekend with their parents, Mr. and Mrs. Floyd Emerson Sr.

Mr. and Mrs. Joseph Couture and Amanda of Rockland visited her uncle, Mr. and Mrs. Floyd Emerson Sr. on Sunday.

Mrs. Richard Plantier of Mt. Airy, Md., visited her parents, Mr. and Mrs. Norman White and other relatives over the weekend.

The Andover farm baseball team were victorious Tuesday night against Bryant Pond's farm team. What an exciting game, better than any big league game.

Mrs. Colby Roberts is a patient at the Lahey Clinic Medical Center at 31 Mall Rd., Burlington, Mass. 01805. Room 734. Mr. and Mrs. Eugene Merrill are spending the summer at the Merrill Farm in South Andover.

Jon Michael Thurston, second son of Mr. and Mrs. Rex Thurston, was one of the lucky winners in the Maine Fisheries and Wildlife Department's moose hunting permit lottery. Moose hunting season will be during the week of Oct. 19-24.

The Andover selectmen remind townspeople that a dump sticker must be purchased at the town office and the stickers must be visible when visiting the dump. New hours are: Sunday, 9 a.m. to 2 p.m.; Tuesday, 2 p.m. to 4 p.m.; Friday, 1 p.m. to 4 p.m., and Saturday, 11 a.m. to 3 p.m. In the near future a building will be available at the dump where newspapers may be left which will be transported to the Adult Activities

Center in Rumford for recycling.

Rev. Marquette Churchill chose as her sermon topic at the Baccalaureate Service at the Andover First Congregational Church in June 7, "Climb Every Mountain." Special music by the adult choir was "Climb Every Mountain." Opening hymn was "Morning Has Broken." The hymn of devotion was "I Love to Tell the Story." There was special music by the children's choir. Hymn of dedication, "Stand Up, Stand Up for Jesus." Following the service there was a reception in the CEB for the 1987 graduates. On Saturday there was a public supper. On Sunday, June 14, there was a deacons' meeting and breakfast at 8 a.m. Special thanks for the reception goes to Shirley Gammon and Jane Rich. Deacon on call was Gerry Michaud.

Mr. and Mrs. Herschel Hall of Ashburnham, Mass., spent the weekend visiting her father, Howard Glover, and other relatives in town. While here they attended the Andover High School Alumni Association banquet and ball.

Mr. and Mrs. Jack Williams and Mrs. Lettie Akers of Weston, Mass., spent this weekend at the "Log Cabin" in East Andover. Mrs. Akers attended the alumni banquet. She was the oldest graduate, class of 1911.

New officers for the next two years of the Alumni Association are: Grace Simmons, president; Ismay Mechem, vice president; Peggy Mills Madigan, corresponding secretary; Carolyn Merrill, treasurer; and Helen Salway, recording secretary.

PROMOTED IN AIR FORCE
Chester R. Curtis, son of Chester R. and Marguerita Curtis of Damariscotta, has been promoted to the rank of first lieutenant in the U.S. Air Force. He is an internal information chief at Elmendorf Air Force Base, Alaska, with the 21st Tactical Fighter Wing. His wife, Brenda, is the daughter of William F. and Frances B. Cushing of Route 232, Bethel.

THUNDERBIRDS AT PEASE AFB
The U.S. Air Force air demonstration squadron, the Thunderbirds, will perform at the annual Pease Air Force Base open house Sunday, July 5. The open house is scheduled for 10 a.m. to 4 p.m., with the Thunderbirds' performance starting at 2:30 p.m. The Thunderbirds will also provide a brief practice show on their arrival at Pease, at 10 a.m.

There will also be ground displays of various military aircraft, and various aircraft will perform fly-bys throughout the day.

In addition to the aircraft, there will be demonstrations by several Pease military units, and the Air Force Band of New England will perform.

Admission to the family event is free. Due to the expected large crowd, visitors are encouraged to carpool as much as possible and to try to arrive early.

Pease AFB is located three miles from Portsmouth, N.H., off the Spaulding Turnpike, just off Interstate 95.

Dr. Stanley R. Howe

Howe named to state historic preservation commission

Dr. Stanley R. Howe, director of the Bethel Historical Society, was recently appointed by Governor John R. McKernan, Jr., to the Maine Historic Preservation Commission. The commission, established in 1971 by the 106th Legislature, functions as an important advisory body to the State Historic Preservation Officer and his staff, and votes on the nomination of buildings, archeological sites and historic districts to the National Register of Historic Places.

Dr. Howe, a Bethel native, is a graduate of Gould Academy and the University of Southern Maine. He received a M.A. in American history from the University of Connecticut and a Ph.D. in Canadian history from the University of Maine.

Very active in the Bethel community, Dr. Howe is well-known professionally throughout the state, serving as trustee of the Maine Historical Society, the Maine League of Historical Societies and Museums, as an advisory trustee of Maine Citizens for Historic Preservation, as a member of the Museum Advisory Panel for the Maine Arts Commission, and as president of the Oxford County League of Historical Societies. Land active in preservation causes and projects, he has also been a contributor to preservation publications and is a former trustee of Maine Citizens for Historic Preservation. He is also a trustee of Gould Academy, a member of the SAD #44 Board of Directors, a former president of the Bethel Library Board of Trustees, and a former chairman of the Town of Bethel Board of Selectmen/Assessors.

A frequent contributor to popular and scholarly publications on Canadian and local history projects, Dr. Howe has also served since 1975 as editor of *The Bethel Courier*, quarterly publication of the Bethel Historical Society. He has taught history at several campuses of the University of Maine system and Westbrook College. A member of a large number of professional organizations, he has been director of the Bethel Historical Society since 1974. He was selected as the Gould Alumnae of the Year in 1982 and is a member of Phi Alpha Theta, the history honor society.

Locke Mills

By LORRAINE MILLS

The Greenwood Fire Department Auxiliary will be meeting Monday, June 22, for a potluck supper at 6:30 p.m. at the fire station with the West Paris Auxiliary and Fire Department as guests. All Greenwood Fire Department personnel and their wives or girl friends are also invited to attend.

Lloyd Sykes, Portland, spent the weekend at his camp at North Newry and called on his way home at the home of Mr. and Mrs. Lee Mills.

Lorraine Mills was in Rumford Wednesday morning to attend a housewares party at the home of Linda Hodgkins, hosted by Frances Davis and demonstrated by Roberta Hunt. She had lunch at the Hodgkins' home and then she and Frances visited Cindy Peplin and family in Mexico.

Val and Caroline Greene, Massachusetts, were at their home on Howe Hill over the weekend and enjoyed a get-together with friends and relatives, Saturday evening.

Mr. and Mrs. Joseph Krasen and her mother, Elvira Churchill of Lewiston, were visited by Dwight Mills, his mother, Mary, and his uncle, Louis Martin, on Wednesday of last week. Mrs. Churchill has been in poor health for some time. While they were there Mr. and Mrs. Vance Keene from Lisbon came to call and that gave Dwight, Mary and Louis the opportunity to see relatives they had not seen since Vance and Dwight were small boys and childhood playmates.

Among those attending graduation exercises at Telstar were the Cobb and Seames families. Lynn Seames Cobb was among the graduating class.

Lorraine Mills visited Rev. and Mrs. Lyle Van Horn in Mexico Thursday evening while John attended a Royal Rangers meeting.

Summer is a time when more things are happening, barbecues, family reunions, etc., but no one seems to be home to tell me about them when I call. So please try to give me a passing thought when you have news items such as this—and try to catch me home.

OHHS Class of '72 to hold reunion July 25

Pleasant Mountain Recreation Area, in Bridgton, will be the scene Saturday, July 25, for the 15-year reunion of Oxford Hills High School Class of 1972.

According to Class President Paul Ricci, reunion activities will include a barbecue dinner and an evening of dancing. Pleasant Mountain's facilities will be available starting in the afternoon for outdoor sports, with dinner and dancing, to music of the late '60s and early '70s, to follow.

Reservations and further information are available from Mr. Ricci, at 647-8896.

CARD OF THANKS

It seems good to be home and I want to thank my many friends and family for all the good wishes, visits and cards. It has meant more to me than I can say. Thank you again.

Society Life Member Ernest Holt of Hanover has provided additional information on Olive Grey Frost and her sister Mary Ann Frost. Olive Grey Frost, daughter of Aaron and Susan Grey Frost, born in the little town of Bethel, Maine, July 24, 1816. She was religiously inclined from an early age and would often go to a secret place and pour out her heart to God. Working as a seamstress in Dixfield, Maine, she met Elder Duncan McDonald and embraced the Mormon (Church of Jesus Christ of Latter-day Saints) faith. She later went to England with her sister, Mary Ann and husband, Perley F. Pratt, a famous Mormon missionary. On the return trip she caught the measles while on the boat in the Mississippi River, and never fully recovered. She was delighted upon reaching Nauvoo, Illinois, to find her father, mother, and two sisters there who had also joined the church, making six of the Frost family so associated. She married Brigham Young as the age of twenty eight in February 1845 and died Oct. 6, 1845, of pneumonia. She is probably buried in Nauvoo, Illinois. She was Young's seventh wife. Evidently Aaron and Susan Grey Frost returned to Bethel and possibly the two daughters accompanied them as they are all buried in Mount Will Cemetery (in North Bethel). Mary Ann went to Utah with Pratt and is buried in Pleasant Grove, Utah. Pratt was murdered in Arkansas in 1857. Mary acted as No. 1 when he married his other wives.

Recent contributions to the 1987 Endowment Campaign of the Bethel Historical Society include those from the United Methodist Women in memory of Mary Carroll; Ronald and Marguerite Kendall; Bethel, in memory of Mary Carroll; Stanley R. Howe, Bethel, in memory of Mary Carroll; Harry and Barbara Kuzik, Bethel, in memory of Mary Carroll; Pearlline McMillin, Bethel, in memory of Mary Carroll; Gladys Krebser, Essex, Vt., in memory of Mary Carroll; Margaret Joy Tibbets, Bethel, in memory of Dr. Raymond R. and Pearl Ashby Tibbets; Joanne Crouse, Danvers, Mass., in memory of Ernestine Philbrook Jackson; Ernest and Denise Powers, Gorham, N.H., in memory of Mary Carroll; John K. Russell, Trumbull, Conn., in memory of Mary Carroll; David and Jeanette Nichols, Milan, N.H., in memory of Mary Carroll; Lee and Judy Carroll, Gorham, N.H., in memory of Mary Carroll. Much appreciation is expressed to all of the above for their generosity.

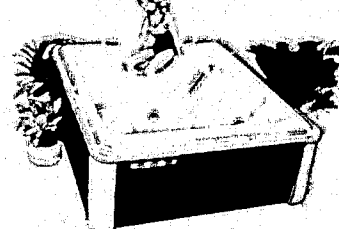

Newest member of the Bethel Historical Society is Fred Hayden of Mexico. Recent donations to the society's archival collections include a copy of William R. Chapman's *Festival Book 1910* from Stanley R. Howe, copies of *Windham: A Pictorial History*, *The History of Henderson Memorial Baptist Church from 1810 to 1986*, *The Flood of 1937*, all gifts of Ben B. Conant of South Paris; a copy of *Young Voices: The Bread Loaf in the Schools Writing Grant, Bethel, Maine 1986-1987* from Will and Marguerite Graham, Bethel; a copy of John J. Currier's *History of Newbury, Massachusetts 1635-1902*, the gift of Marlann Mills Durgin in memory of John E. Grover; a recording of Lord's Orchestra (Side 1: Songo Lake Pavilion, March 1958, and Side 2: Top Hat Pavilion, October 1962, the last dance for Lord's Orchestra) from Donald Lord. Much gratitude is due these individuals for these fine additions to the collections of the society. Also received recently is the second in The Nearby History Series, a book by Barbara Howe, Delores Fleming, Emory Kemp, and Ruth Overbeck, *Houses and Homes: Exploring Their History*, a guide to researching old houses. All of the above are now available to researchers in the society's Eva Bean Research Room.

So. Woodstock

By OLIVE DAVIS

Bertha Benoit spent the afternoon Friday with Olive Davis.

I just called Lillian Harmon on the telephone this Friday and learned she is home from the hospital but weak from the seige with her stomach.

We noticed that Ellsworth Hathaway is sawing out a lot of lumber in his saw mill on Route 26. He is building a cottage on North Pond shore between Bryant Pond and Locke Mills.

Richard Felt and group played for a dance at West Paris Saturday night. They also played Saturday at the booth set up, which was held from 10 to 3.

Olive Davis was in Bridgton Sunday to see her sister Lillian Harmon and families.

Esther Davis has been in Florida for the graduation of her granddaughter, Jackie Tibbets with her. Esther remained for three weeks.

The tame deer was feeding in my field by the big hill Saturday. She stayed there all afternoon. Jim was moving and she still stayed.

Mr. and Mrs. Joseph Young called on me Friday. They are at their cottage in Shadow Land for the next two months. They had been to Bridgton called on relatives and classmates.

Our hot weather left as soon as it came. Now the days are rather cold in the morning. The fact is, I have run the furnace every morning to warm up the house.

Joyce Hathaway met her daughter, Jane Niro at Portsmouth and Kittery and they went shopping in those areas. It was Jane's birthday this week. Jane lives in Massachusetts. They had fun doing something different.

Karen Hathaway made the dean's list at Plymouth State College. She is studying accounting.

Chamber needs help with road race

The Bethel Area Chamber of Commerce is looking for volunteers to help with the road race on Mollycokett Day. You can help to keep this annual activity going in a variety of ways. Folks are needed to:

- Help with registration;
- Marshal the course;
- Water stops;
- Finish line;
- Set up and take down.

If you plan to be around that day (Saturday, July 18) the race will be held in the morning between registration at 7:30 a.m. to awards just prior to 11 a.m. Please call the chamber of commerce office at 824-2282 within the week.

Also needed are folks of all ages to run. Again there will be a one mile race for kids and a 5 km and a 10 km race. T-shirts will be available for the first 75 finishers and a variety of other awards will be given to overall winners. Look for registration forms at various locations in the area and at the chamber office. Registration fees will be \$1 for the fun race; \$5 for advance registration for the 5 km and 10 km races, and \$7 the day of the race.

Please come on out and participate in this community event either by running or helping with the race!

Marybeth Isham of Bethel successfully completed Sterling College's distinctive one-year program, The Grassroots Project in Vermont, on May 30. Outdoor commencement ceremonies were held in Craftsbury Common with Vermont's Governor Madeleine M. Kunin delivering the commencement address. Marybeth now plans to re-enroll at Sterling to earn the associate of arts degree in rural resource management.

THOUGHTS FROM THE Pastor's Study

The Bethel Area Clergy Association, with the help of pastors of surrounding churches, is endeavoring to bring frequently to you these meditations. Not based on any set theme, they will be individual for each pastor. It is hoped you will find in these words, comfort and help for your daily life.

A portion of verse 4, Psalm 8 reads, "What is man that thou art mindful of him."

When on a crystal clear winter night, you have looked up into the heavens and seen the beauty of uncountable stars against the inky blackness of the sky, while on the horizon behind the trees on a hilltop crested the full moon, have you asked yourself this question? Or perhaps you would prefer to consider the beauty of a summer morning, as the rays of the rising sun turned the morning mist into an aura of splendor.

Or even there awesome view we gaze upon from the top of a mountain or even from a hill.

The splendor of snow covered trees, in the sunlight of a winter morning.

The beauty of fall as foliage offers us a collection of color, beyond imagination.

What is man that they art mindful of him?

The beauty we see around us would be wasted had God not given us eyes to have seen its glory, and mind to receive and evaluate the pictures that the eyes reflect to it.

Yes, God is a gracious God, even the most remote places can often afford a certain amount of beauty.

But beauty can fade away, the stars dim and pass from our sight with coming daylight, the morning mists rise and disappear.

The mountain top views are off left unseen because of clouds or fog. The leaves fall and the snow melts from the tree tops.

Has God forgotten man?

Hardly so. Those words still stand out in my mind. What is man that thou art mindful of him?

If we could only put a sense of value on the things that God had given us, we would find that monetary terms could not express the value.

Are we too blind spiritually to see the unseen things that God has given us?

In John I, 3-4, John speaking of Christ, says, "In him was life, and the life was the light of men, and the light shineth in the darkness and the darkness comprehended it not."

Man can so easily see with eyes that see. Rather it be beauty or ugliness our eyes see and absorb because it is as we are of substance.

But it is more difficult to see the spiritual gifts of God. When the stars dim with the dawn, we know that again on another night we will again shine forth with beauty. Flowers fade and leaves fall but life again return to them, or others will take their place.

Truly, God is sufficient in material gifts.

In St. John 3:16, "For God so loved the world that he gave his only begotten Son, that whosoever believed in him should not perish, but have everlasting life. This is a promise of God. That same God, who caused the psalmist to wonder, "What is man that He was mindful of us?" Not only does he give us beauty to enjoy, substance for our survival, even things

Notes from the Woodstock Historical Society

Following is a description of President John Quincy Adams—

"The icy-veined Adams led a Spartan life in the White House. He rose at five, read the Bible and took a walk or a swim in the Potomac. But one of his diversions was billiards. When the news was made public that he had installed a billiard table in the White House... he was roundly denounced as a prodigal."

—John and Alice Durant

Basill Seguin donated a theatrical picture to the museum.

Larry Billings donated a teddy bear to go in the child's high chair that once belonged to Robert Crockett.

Thanks to all those who have watched tables for the society at different community functions.

Mansfield Packard has connected the phones in the museum.

Following is a passage on President Andrew Jackson—

"Andrew Jackson was a true son of the frontier, the first president born in a log cabin, and the first who was not of the Virginia aristocracy or a Massachusetts Adams. A tall, lean, poorly educated backwoodsman with a crest of hair almost red and a temper in keeping, he was a reckless horseman, cockfighter and duelist."

—John and Alice Durant

The society now has 1988 calendars available at the museum for \$2. They feature old pictures for each month from the museum's collection.

And don't forget to visit our museum from 1-4 p.m. on Saturdays this summer.

The program committee wishes to let you know in advance that the July meeting will highlight America's Finnish Heritage presented by Taisto Koskela and friends. The program may even feature some dancing if he decides the meeting room floor is suitable.

Thanks again to the town road crew for further work on the parking lot at the museum.

Curator Larry Billings has donated a framed railroad receipt signed by Rufus K. Dunham, the town's first stationmaster. It is dated 1893.

Mr. and Mrs. James Everett of Jenison came last Thursday with their two sons to spend some time with his aunt, Ann Mason.

Sylvia Akers of Natick, Mass., has been a guest recently of her sister-in-law, Olive Head.

Mr. and Mrs. Alfred Lovejoy, of Traverse City, Mich., arrived last Saturday at the home of Cleveland and Cathryn Lovejoy, for a two week's stay.

Mr. and Mrs. Robert Blackburn (nee Carol Bennett) came from Texas last week to spend some time with her parents, the Donald Bennetts.

There were nine new members received into the West Bethel Union Church last Sunday.

for our pleasure, but now he has given his only son, that we might have eternal life and life in another world even beyond our expectations.

He gives to man because he has chosen man to be his people. He has already chosen you, now you must accept him as your God, Your Creator, Your Saviour. Only Believe.

Helen Ring has returned home after visiting her son and family, Mr. and Mrs. Arthur Ring, Freeport. On Saturday, Arthur, Jane, and Helen Ring attended the 50th wedding anniversary of Mr. and Mrs. Reginald Glines, Sr., Danbury, N.H.

Woodstock Senior Citizens met last Thursday with a potluck dinner and musical program. It was very well attended.

Judith Grover Tent #17 met on Monday, June 8, for a regular meeting with 18 members present. Michelle Crockett and Jane Wardwell filled in as color bearers #4 and guide. Rowena Dunham was reported on. She's at home, but not very well. A plant was sent to her. Debbie Millett's foot is better. Sixty-four calls were made. General orders #3 read out. Thank you from Debbie Millett. Helen Grover was reported on, she fell and hurt her shoulder. Cards were sent to Helen Grover and Rowena Dunham. Sixteen people attended the granddaughter breakfast. Sally and the four color bearers will stay over night. Next meeting will be July 13 with Sally and Bethany on refreshment committee.

Alice Wardwell presented Iva Farrar with her 50 year pin, and President Denise Swan gave her a corsage from the tent. Jane Wardwell read a piece on Play Day, and Elena Noyes one on the Constitution of the United States.

The program chairman for the meeting was Rolfe Glines. His guest speaker was Chad Converse, White Mountain National Forest. Chad talked about the Virginia Lake Wilderness Area recently acquired by the Forest Service. Specific direction for the management of the area has not been finalized. Also, a slide presentation of the White Mountains was shown by Chad. The slide show was professionally produced and thoroughly enjoyed by everyone.

Our guest speaker for the meeting of June 22 will be Wendie Gray, marketing director for the Sunday River Skiway Corp. Development planning will be presented.

Rotary Club notes

The Bethel Rotary Club held its regular weekly breakfast meeting on Tuesday, June 16, at Martha's Restaurant.

Visitors joining with the group on Tuesday were: Bill Lowther, our summer chaplain from Boonton, N.J.; and Steve Wight, Sunday River Inn.

Good Rotarian Bruce Powell made his presence known with the raffle tickets at this meeting. This week's winner was Dan Hart who donated his winnings to Polio Plus. Bruce has been a prime mover in financially assisting members to become Paul Harris Fellows on a yearly basis, and we all appreciate the good job.

John Eliot, chairman of the Project Graduation breakfast served at the Gould Academy dining hall on Saturday, June 16, thanked all participating Rotarians for their support of this very deserving project. The hour was early but the cause was most deserving. A special thank you to Gould Academy and Headmaster Bill Clough, for making the facilities available to Rotary, and to the pleasant, helpful guidance provided by the professional kitchen staff. Thanks.

Rotary information was provided by George Noll. George talked about the mine trip planned on July 21 for the Spanish student group. All Rotarians will have an opportunity to meet the students at a breakfast meeting on that date.

President Dave Preble also thanked all persons and organizations for their support in the graduation breakfast project. Also Dave talked about the district conference and the Spanish Student Exchange Program.

The date for our summer social to be held at the Glines' residence will be June 27 at 4:30 p.m. This is one of the few planned socials of our club and it deserves 100 percent participation. A great time to socialize and have a good time with our gracious hosts, Rolfe and Phil Glines.

Adult education and chamber to conduct survey

Economic Outlook and Training Needs of the SAD #44 area is the subject of a survey to be conducted during the next few weeks by the SAD #44 Adult and Community Education program and the Bethel Area Chamber of Commerce.

The survey, which consists of 25 questions on background information, future business growth, community linkage, and education and training, is the first step in an ongoing process of assisting area businesses, according to Cathy Newell, SAD #44 Adult and Community Education director, and Robin Zinchuk, executive director of the Bethel Area Chamber of Commerce.

According to Mrs. Newell, the idea of the survey originated with the recent program review of the adult education program which brought to light the basic lack of information about area businesses, which is essential in planning adult education programs. Simultaneously, the local chamber of commerce was being encouraged to begin a local *Business Retention and Expansion* program, which again needed basic data as a starting point. The adult education program was able to obtain a state grant to fund the survey, and a planning committee of adult education advisory committee members and chamber board members came together to plan the survey.

Members of the committee are Shirley Powell, Ginger Kelly, Ed Hitchcock, Irene Mills, Bill Riley, Jack MacCormac, Mary Beth Baye, in addition to Mrs. Newell, Mr. Zinchuk, and Becky Kendall of the chamber staff.

On June 1, Jay Hardy, of State Development Office, met with the committee to describe how the survey will fit into an ongoing *Business Retention and Expansion* program. Following the collection of basic data from the present survey, an in-depth analysis will be conducted through interviews with each segment of the business community. For example, during the fall, the *Business Retention and Expansion* committee members might focus on area manufacturers, followed by other sectors such as retail, service, food and lodging, recreation, etc.

Based on these findings, action plans would be developed for economic development activities involving such groups as municipalities, the chamber of commerce, Small Business Development Center, and other regional and state agencies. Mr. Hardy has offered to assist with this effort and felt that the Bethel area might be considered as a pilot site for State Development Office activities that could assist the project.

Survey forms will be mailed to more than 200 area businesses during the week of June 15. As many businesses and employers as possible are being contacted, regardless of size or number of employees. Following an initial period for mail-in return of survey forms, a follow-up will be conducted, by Lindley Wieden, of those businesses that have not responded. The goal of the survey is to receive 140 completed forms.

Kevin Powell will assist the committee with computer entry of data, and Nena Sargent will provide secretarial services. Survey results will be available in summary form by early August. Confidentiality of individual businesses will be protected.

Mrs. Newell stated, "The usefulness of this survey really depends on a good rate of return, and we hope that all businesses and employers will help out by completing the survey. No business is too small to participate and anyone who has questions about the survey in general, or about specific questions, may call the Adult Education office, 824-2780, or the Chamber at 824-2282."

IDA R. HADLEY

Mrs. Ida R. Hadley died Saturday evening, June 13, 1987, at the Ledgeview Memorial Home, West Paris, where she had been a patient since February of 1979.

She was born in North Paris, Aug. 28, 1896, the daughter of John A. and Alice Morse Ross. She attended Paris schools and married Leon S. Hadley Sr. who died Oct. 5, 1972. She was a telephone operator at the West Paris telephone office for several years and a bookkeeper for the West Paris Grain Mill for many years. She was employed by the L.M. Mann and Son Wood Turning Mill in West Paris as a secretary and bookkeeper from which she retired with over 40 years of service. She was secretary of the West Paris Cemetery Association for over 50 years. She was a member of the former Onward Rebekah Lodge of West Paris, and the Granite Chapter of the Order of the Eastern Star.

Mrs. Hadley is survived by one son, Leon Hadley Jr., West Paris; five sisters, Miss Lydia Ross of South Paris, Mrs. Gladys Cummings of Newport, Vt., Mrs. Jessie Weston of South Paris, Mrs. Phemie Russell of Norway, and Mrs. Lillian Curtis of West Paris; one brother, Ronald Ross of West Paris; five grandchildren and five great-grandchildren. Graveside services were held Tuesday morning at Wayside Cemetery, West Paris.

Contributions in Mrs. Hadley's memory may be made to Tri-Town Ambulance, P.O. Box 328, Bryant Pond, Maine 04219.

GEORGIE A. FRASER

Mrs. Georgie A. Fraser of Andover, formerly of Fryeburg, died Sunday, June 14, 1987, at her home.

Born in Andover, she was the daughter of Warren and Eva Andrews Marston. She was educated in the schools of Andover. She was married to Kenneth G. Fraser of Fryeburg, who died in 1974. She lived in Fryeburg for many years and during that time, she and her husband raised more than 20 foster children. She moved to back to Andover in 1975. She was a member of the East Andover Community Club and the Ladies Aid of the Congregational Church of Andover.

She is survived by many foster children; a brother, Charles Marston of Andover; and a sister, Marjorie Sessions of Middlebury, Vt.

Graveside services will be held Wednesday at 2 p.m. at Toll Bridge Cemetery, Fryeburg.

Memorial contributions may be made to the Andover Rescue Unit or to the American Heart Association, Augusta.

LUBIN R. HOARE

Lubin R. Hoare died Friday evening, June 12, 1987, at the Ledgeview Memorial Home, West Paris, where he had been a patient since February of 1978.

He was born at Somerset Parish, Bermuda, Sept. 4, 1896, son of Charles and Jane Hollis Hoare. He received his education in Bermuda schools. He married Annie Skaber, Aug. 14, 1924. Mr. Hoare was a watchmaker by trade, and came to this country in 1948. He worked in the jewelry business in Stoneham, Mass., Lowell, Mass., and Mt. Vernon, Ohio, retiring in 1969. He had lived in Presque Isle prior to coming to Ledgeview where he was a member of the Presque Isle Seventh-day Adventist Church. At the time of his death he was a member of the South Woodstock Seventh-day Adventist Church.

He is survived by his wife at West Paris; one daughter, Mrs. George (Joy) Mills of Taunton, Mass.; six grandchildren and four great-grandchildren. He was predeceased by a daughter, Gladness Mudgett, in 1985.

Graveside services were held Monday morning at Wayside Cemetery, West Paris.

SAD #44 adult ed offering courses this summer

The SAD #44 Adult and Community Education program will offer a number of courses this summer on Wednesday evenings at Telstar Regional High School. The summer course flyer was mailed to boxholders and RFD patrons in SAD #44 towns during the week of June 15, with classes set to start on Wednesday, July 8. Those wishing to enroll in a course may call 824-2780, write or stop by at the Adult Education Office.

Courses to be offered include Sign-painting with Mickey Limatta of West Paris as the instructor, School Bus Driver Training with D.J. Smith as the teacher, Introduction to Computers with Holly Sykes, *Refresher Math* with emphasis on algebra with Sue Wyman, *GED Preparation and Adult Learning Center for Basic Skills in Reading, Writing and Math* with Melanie Ellsworth, *CPH* with Florence Merrill and Jeannine Thornton as instructors, *Adult Guidance Service* with Merrill Rittner, and *Exercise with Pat Morey*. *Exercise* will remain on Mondays and Thursdays at 8:00 with all other classes on Wednesdays. Exact class times may be found in the course flyer. *Adult Outdoor Volleyball* will be held on Wednesdays at Crescent Park School starting at 6:30 on June 24. Deb Wheeler will be the coordinator.

Director Cathy Newell said that this represents the first real attempt to provide adult education courses during the summer, and that the concentration is an vocational and pre-vocational subject matter. "We particularly hope that area adults will look ahead to fall and take this opportunity to enroll in offerings which will help them prepare for vocational classes by brushing up in math or basic English skills, or to seek help through our career guidance resources in identifying educational programs or working on resumes or job seeking skills," she stated. SAD #44 is very much in need of people who are able to work as bus drivers or bus driver substitutes. The summer course will prepare potential drivers to take the examination. Road work will be arranged on an individual basis.

Mrs. Newell added that occasional one-session workshops may be offered as an addition to the summer school, and such programs will be advertised in the newspapers. A full fall lineup, ranging from vocational to adult high school completion to enrichment classes will begin in September.

Suggestions for fall courses are welcome at any time, and should be relayed to Mrs. Newell at 824-2780 or 824-2089.
